

Simple Business Leader Success Quiz

Answer these 8 simple questions to determine how **Forward Leaning** you are as a Business Leader and gauge the level of **High Performance** your organization is achieving.

1. Is your Strategy communicated to and understood by the entire workforce?
2. Do each of your valued employees understand their role in executing the Strategy?
3. Do the Goals & Objectives of your leadership team align with your Strategy and further its success?
4. Is your Succession Plan in place and up to date?
5. Has your organization identified the next generation of leaders, also known as High Potential (Hi-Pot) employees?
6. Is Continuous Improvement a part of your Organization's DNA?
7. Are your Key Performance Measures driving the outcomes and results you desire?
8. Are your financial metrics driving the business or just "reporting the news"?

If you answered 'YES' to all or most of these questions, **CONGRATULATIONS**, you are a Forward Leaning Business Leader and likely operating in a High-Performing organization.

If you answered 'NO' to all or many of these questions, FEAR NOT, you are not alone.
